

Wellspring Digital CEO, Karl Hindle, Joins SALSAL Board

CEO and Company Founder, Karl Hindle Has Joined The Save a Leg, Save a Life Foundation Board

For Immediate Release: Frederick MD, October 26, 2022

Wellspring Digital is proud to announce that our Founder and CEO, Karl Hindle has accepted the invitation to serve on the board of the Save a Leg, Save a Life Foundation, also known as SALSAL. The mission is also an important one for Mr. Hindle from his time in military service.

"I am honored to be a part of this organization and look to make as great a positive contribution as I can on the SALSAL board. Their mission is very close to my heart." said Mr. Hindle, "The work they are doing is so important and will change so many lives for the better by avoiding needless leg amputations."

"I'm really pleased to have him on our board. Karl's a great guy and he brings a unique and personal perspective to the group." said SALSAL founder, Dr. Desmond Bell, "His expertise in the nonprofit world and in digital marketing will be great assets to the Foundation, and we definitely look forward to his contributions."

About The Save a Leg, Save a Life Foundation

The Save a Leg, Save a Life Foundation is a national non-profit foundation whose mission is to educate the public and health care professionals about evidence-based measures to prevent or delay non-traumatic amputations; advocate on behalf of amputees and populations at an increased risk for amputations; and increase communication to and among health care professionals who treat amputees or those at risk for amputation in order to facilitate early, expedited, and appropriate referrals.
